## 2001-2021 CITYWIDE AGREEMENT

**COLLECTIVE BARGAINING AGREEMENT** entered into this 14th day of January 2022 by and between the City of New York and related public employers pursuant to and limited to their respective elections or statutory requirement to be covered by the New York City Collective Bargaining Law ("NYCCBL") and their respective authorizations to the City to bargain on their behalf and the New York City NYC Health + Hospitals (hereinafter referred to jointly as the "Employer"), and District Council 37, AFSCME, AFL-CIO (the "Union"), for the period from July 1, 2001 – December 31, 2021.

### WITNESSETH:

**WHEREAS**, the parties hereto have entered into collective bargaining and desire to reduce the results thereof to writing,

**NOW, THEREFORE**, it is mutually agreed as follows:

## ARTICLE I - UNION RECOGNITION ON CITYWIDE MATTERS

### Section 1.

The Employer recognizes the Union as the sole and exclusive collective bargaining representative on citywide matters which must be uniform for the following employees:

- i. Mayoral agency employees subject to the Career and Salary Plan.
- ii. Employees of the NYC Health + Hospitals with the exception of Group 11 employees and interns and residents.
- iii. Employees of the Off-Track Betting Corporation and the New York City Housing Authority pursuant and limited to the extent of their respective elections to be covered by the NYCCBL.
- iv. Employees of the Comptroller, the District Attorneys, the Borough Presidents, and the Public Administrators, who are subject to the Career and Salary Plan, pursuant and limited to the terms of their respective elections to be covered by the NYCCBL, and any museum, library, zoological garden or similar cultural institution for employees whose salary is paid in whole from the City Treasury, pursuant and limited to the election of said cultural institution to be covered by this Agreement.

### Section 2. Exclusions

- a. Prevailing rate employees are excluded from the coverage of this Agreement.
- b. Managerial, confidential, exempt civil service employees, and other employees ineligible for collective bargaining are excluded from the coverage of this Agreement.

**Section 3.**

The Employer recognizes the Union as the sole and exclusive collective bargaining representative for employees included in the New York City Employees' Retirement System on pension matters which must be uniform for all such employees pursuant to Section 1173-4.3(a)(5) of the NYCCBL. In the event that the current prohibition against bargaining for retirement benefits is discontinued, the parties agree to reopen negotiations on this matter.

**Section 4.**

For the purposes of this Agreement, the term "employee" shall mean a full-time per annum worker, unless otherwise specifically indicated herein.

**Section 5.**

Effective January 1, 2000, and each April 1<sup>st</sup>, July 1<sup>st</sup>, October 1<sup>st</sup>, or January 1<sup>st</sup> thereafter, any per diem employee who has worked the appropriate number of hours in the normal full-time week established for such per annum title as listed in Appendix A of this Citywide Agreement for at least eighteen (18) continuous months immediately preceding the beginning of said quarter, and who continues to meet the above-stated conditions without a break in service of more than 31 days, shall be deemed to be an "employee" under Article I, Section 4 of the Citywide Agreement, subject to the conditions listed below.

- a. The following sections of the Citywide Agreement shall not be applicable: Article V, Sections 18 (summer hours) and 19 (per diem accrual leave rates); and Article VI, Section 8 (summer hours).
- b. Seniority for eligibility for benefits pursuant to this Section 5 shall be computed from the date 18 months prior to the date such employee becomes covered by this Section 5.
- c. These provisions shall not apply to employees hired pursuant to Rule 5.6 of the Personnel Rules and Regulations of the City of New York.
- d. Notwithstanding the provisions of this Section 5, an employee, who at the time of appointment to a title is assigned to regularly work the normal full-time work week established for such per annum title as listed in Appendix A must continue to work such on a full-time basis for at least 2 years without a break in service of more than 31 days, to be covered by Article XVI (Disciplinary Procedure For Provisional Employees), subject to the conditions listed below.
  - i. The employee must have been serving provisionally in such competitive class position on a full-time per annum or full-time per diem basis.
  - ii. Prior provisional service followed by permanent service may not be aggregated with current provisional service (*e.g.* prior provisional service as a temporary or seasonal "step-up" followed by permanent service may not be counted towards meeting the service requirement in an employee's current provisional position)
- e. For the purposes of this Section 5, Article IX, Section 24 and Article XVI the following unpaid time in excess of 31 days will not be deemed a break in service or be counted as service:
  - i. for maternity/childcare leave;

- ii. for military leave;
- iii. jury duty;
- iv. for union business pursuant to Executive Order 75;
- v. while pending workers' compensation determination;
- vi. while on workers' compensation option 2;
- vii. due to illness or exhaustion of paid sick leave; and
- viii. due to family illness.

## **ARTICLE II - WORK WEEK**

### **Section 1.**

The normal work week for employees in each of the titles covered by this Agreement shall be listed in the attached Appendix A. If a title covered by this Agreement is inadvertently omitted from the attached list, the number of hours in the normal work week for employees in such title shall be determined by the parties in accordance with the number of hours being worked by a majority of employees in the affected title and added to Appendix A. The hours in the normal work week for employees in any newly established title which is created during the term of this Agreement and is covered by this Agreement shall be determined by the Employer and added to Appendix A.

### **Section 2.**

Wherever practicable, the normal work week shall consist of five (5) consecutive working days separated by two (2) consecutive days off. This shall not, however, constitute a bar to the investigation and implementation by the Employer with the Union's participation and consent of flexible work weeks, flexible work days or other alternative work schedule(s).

## **ARTICLE III - SHIFT DIFFERENTIAL AND HOLIDAY PREMIUM**

This Article is applicable to all employees except those in classes of positions certified by the Board of Certification in Decision No. 50-73 [Doctors Council] and subsequent amendments to said certification.

### **Section 1.**

- a. There shall be a shift differential of ten percent (10%) for all employees covered by this Agreement for all scheduled hours worked between 6 P.M. and 8 A.M. with more than one hour of work between 6 P.M. and 8 A.M. This provision shall not apply to employees in the titles of Houseparent and Senior Houseparent.
  - i. For any employees newly hired on or after July 1, 2004, during their first three (3) years of employment only, this provision shall apply to scheduled hours of work between 8:00 P.M. and 8:00 A.M.

- b. An employee working overtime shall only receive a shift differential if the employee is receiving straight time cash compensation. In such cases the shift differential shall be calculated separately from the overtime compensation. In all other cases, the employee shall receive only the compensatory time or premium overtime pay provided for in Article IV.

**Section 2.**

- a. If an employee is required to work on any of the holidays listed in Section 9 of Article V, the employee shall receive a fifty percent (50%) cash premium for all hours worked on the holiday and shall, in addition, receive compensatory time off at the employee's regular rate of pay. Compensatory time off earned pursuant to this Section may be scheduled by the agency either prior to or after the day on which the holiday falls.
- b. If the holiday designated pursuant to this Agreement falls on a Saturday or a Sunday the following provisions shall apply:
  - i. The fifty percent (50%) cash premium and compensatory time off at the employee's regular rate of pay shall be paid to all employees who work on the actual holiday only.
  - ii. Employees required to work on the Friday or Monday day of observance designated pursuant to Article V, Section 9 shall receive compensatory time only.
  - iii. For an employee scheduled to work on both the Saturday or Sunday holiday and the day designated for observance the following shall apply:
    - (1) If the employee is required to work on only one of such days, the employee shall be deemed to have received compensatory time off and shall receive the fifty percent (50%) cash premium only when required to work on the actual holiday.
    - (2) If the employee is required to work on both such days, the employee shall receive the fifty percent (50%) cash premium and compensatory time off at the employee's regular rate of pay only for all hours worked on the actual holiday.
- c.
  - i. If an employee is required to work on a holiday which falls on the employee's scheduled day off, the employee may choose whether such holiday work is to be compensated by the fifty percent (50%) cash premium and compensatory time off provided for above, or if the employee is otherwise eligible, by the overtime provisions of Article IV.
  - ii. An employee shall not receive for the same hours of work both (1) overtime pay and (2) the fifty percent (50%) cash premium and compensatory time off.
  - iii. Regardless of whether the holiday falls on a regular working day or on a scheduled day off, if the number of hours worked on such holiday exceeds the employee's normal daily tour of duty, all hours of work in excess of such normal daily tour of duty shall be covered by the provisions of Article IV.

- d. Shifts which begin at 11 P.M. or later on the day before the holiday shall be deemed to have been worked entirely on the holiday, and shifts which begin at 11 P.M. or later on the holiday shall be deemed not to have been worked on the holiday.
- e. As an alternative to the methods of compensation provided in subsections 2(a), 2(b), and 2(c), an employee may elect in writing to receive compensation either entirely in cash or entirely in compensatory time for any such holiday worked. Such election shall be subject to the approval of the agency head, executive director of a hospital, or the Chief of Personnel in the Police Department, or their designee whose decision shall be final. In no case shall the compensation under this provision exceed or be less than the value of the compensation provided under subsections 2(a), 2(b), or 2(c).

**Section 3.**

- a. An employee may receive both a shift differential and holiday premium pay for the same hours of work, but in such cases each shall be computed separately according to subsection 3(b), below.
- b. Shift differentials and holiday premium pay shall in all cases be computed on the individual employee's hourly rate of pay as determined in Section 6 of Article IV.

**Section 4.**

Part-time per annum, hourly, per diem, per session and seasonal employees shall be covered by the terms of this Article.

**ARTICLE IV - OVERTIME**

In the event of any inconsistency between this Article and standards imposed by Federal or State Law, the Federal or State Law shall take precedence unless such Federal or State Law authorizes such inconsistency.

**Section 1.**

For purpose of the overtime provisions of this Agreement, all time during which an employee is in full pay status, whether or not such time is actually worked, shall be counted in computing the number of hours worked during the week. However, where the Fair Labor Standards Act ("FLSA") provides for more beneficial compensation than the overtime provisions of this Agreement such benefits shall be calculated on the basis of time actually worked.

**Section 2.**

- a. "Authorized voluntary overtime" and "authorized voluntary standby time" shall be defined as overtime or standby time for work authorized by the agency head or the agency head's designee, which the employee is free to accept or decline.
- b. "Ordered involuntary overtime" and "ordered involuntary standby time" shall be defined as overtime or standby time which the employee is directed in writing to work and which the employee is therefore required to work. Such overtime or standby time may only be authorized by the agency head or a representative of the agency head who is delegated such authority in writing.

**Section 3.**

- a. Ordered involuntary overtime which results in an employee working in excess of forty (40) hours in any calendar week shall be compensated in cash at time and one half (1-1/2 times).
- b. For those employees whose normal work week is less than forty (40) hours, any such ordered involuntary overtime worked between the maximum of that work week and forty (40) hours in any calendar week, shall be compensated in cash at straight time (1x). For employees granted a shortened work day under Section 18 of Article V, compensatory time for work performed between thirty (30) and thirty-five (35) hours a week when such shortened schedule is in effect shall be granted at the rate of straight time (1 time), but such work shall not be considered overtime.
- c. Upon the written approval of an employee's request by the agency head or designee, an employee who works ordered involuntary overtime shall have the option of being compensated in time off at the applicable rates provided in Sections 3(a) and 3(b) provided that the exercise of such option does not violate the provisions of ("FLSA").
- d. There shall be no rescheduling of days off and/or tours of duty to avoid the payment of overtime compensation. Any work performed on a scheduled day off shall be covered by this Article.
- e. Employees who are paid in cash or who are compensated in time at the rate of time and one-half (1½X) for overtime pursuant to subsection c of this Section or the Fair Labor Standards Act may not credit such time for meal allowance.

**Section 4.**

- a. Authorized voluntary overtime which results in any employee working in excess of the employee's normal work week in any calendar week shall be compensated in time off at the rate of straight time (1x).
- b. For employees covered by the provisions of FLSA, voluntary overtime actually worked in excess of forty hours in a calendar week shall be compensated at the rate of time and one-half (1½x) in time provided that the total unliquidated compensatory hours credited to an employee pursuant to this provision may not exceed 240 hours. If an employee has reached the 240 hour maximum accrual for FLSA compensatory time, all subsequent overtime earned under this provision must be compensated in cash at time and one-half (1½x).

**Section 5.**

- a. No credit shall be recorded for unauthorized overtime. Credit for all authorized overtime beyond the normal work week shall accrue in units of one-quarter (¼) hour to the nearest one-quarter (¼) hour and, except for an employee covered by the provisions of FLSA who has actually worked in excess of forty hours in said calendar week, only after one (1) hour.

The hourly rate of pay shall be determined by taking the below indicated fractional part of the affected employee's annual regular salary:

- a. For employees whose basic work week is thirty-five (35) hours:

$$\frac{1}{1827} \quad \text{or} \quad \frac{1}{261 \times 7}$$

- b. For employees whose basic work week is thirty-seven and one-half (37½) hours:

$$\frac{1}{1957.5} \quad \text{or} \quad \frac{1}{261 \times 7.5}$$

- c. For employees whose basic work week is forty (40) hours:

$$\frac{1}{2088} \quad \text{or} \quad \frac{1}{261 \times 8}$$

- d. For employees in the titles of Houseparent or Senior Houseparent, the hourly basic rate shall be calculated by multiplying the "basic annual rate (excluding overtime)" set forth in the Social Services and Related Titles Agreement by:

$$\frac{1}{3132} \quad \text{or} \quad \frac{1}{261 \times 12}$$

For all hours in excess of 40 hours per week, such employees shall be compensated at the rate of time and one-half (1½X) of the hourly basic rate.

- e. Payment shall be computed and paid on a basis of quarter hour units actually worked beyond the normal scheduled work week, provided at least one (1) full hour is compensable in a calendar week (unless such employee is covered by the provisions of the FLSA and has actually worked in excess of forty hours in said calendar week). "Annual regular salary" shall in addition to all payments included in an employees basic salary include all educational, assignment, and longevity differentials, and, when mandated to be included by FLSA, such other additions to gross that are regularly part of an employee's salary.

#### **Section 6. Overtime Cap**

- a. These overtime provisions, including recall and standby provisions, shall apply to all covered employees including those working more than half-time, and with permanent, provisional or temporary status, whose annual gross salary including overtime, all differentials and premium pay is not in excess of the amount set forth in subsections 7(d) and 7(e) for eligibility for cash compensated overtime (the "cap").
- b. When an employee's annual gross salary including overtime, all differentials and premium pay is higher than the cap, compensatory time at the rate of straight time shall be credited for authorized overtime except as may be proscribed by FLSA. The gross salary shall be computed on an annual calendar year basis and for the purposes of this Section shall mean basic annual salary plus any monies earned.
- c. Employees who are not covered by FLSA whose annual gross salary including overtime, all differentials and premium pay is in excess of the cap shall be required to submit periodic time reports at intervals of not less than one week, but shall not be required to follow daily time clock or sign-in procedures. Employees covered by the overtime provisions of FLSA

shall be required to follow daily time clock or sign-in procedures. The periodic time report shall be in such form as is required by the Agency.

- d.
  - i. Effective April 1, 2000, the cap shall be **\$56,731**
  - ii. Effective April 1, 2001, the cap shall be **\$59,000**

  - iv. Effective July 1, 2004, the cap shall be **\$62,593**

  - vi. Effective August 1, 2006, the cap shall be **\$65,856**
  - vii. Effective February 1, 2007, the cap shall be **\$68,490**
  - viii. Effective March 3, 2008, the cap shall be **\$71,230**
  - ix. Effective March 3, 2009, the cap shall be **\$74,079**
  - x. Effective September 3, 2011, the cap shall be **\$74,820**

  - xiv. Effective September 3, 2015, the cap shall be **\$79,406**
  - xv. Effective September 3, 2016, the cap shall be **\$81,788**
  - xvi. Effective September 26, 2017, the cap shall be **\$83,424**
  - xvii. Effective September 26, 2018, the cap shall be **\$85,301**
  
- e. Effective October 26, 2019, the cap shall be increased to **\$87,860**. Thereafter, unless otherwise agreed by the parties, the cap amount shall be adjusted by future collective bargaining increases. Each time the cap is adjusted, an interpretive memorandum or similar document shall be issued setting forth the new amount.

#### **Section 7.**

- a. Effective as indicated below employees who work authorized overtime, except as set forth in Section 3(e) of this Article, shall be entitled to the following meal allowances:

	<u>Effective 7/1/01</u>
For two continuous hours of overtime	\$ 8.25
For five continuous hours of overtime	\$ 8.75
For seven continuous hours of overtime	\$10.75
For ten continuous hours of overtime	\$11.75
For fifteen continuous hours of overtime	\$12.75

- b. Time off for meals shall not be computed as overtime. However, such time off shall not affect the continuity requirement for the above meal allowances.

#### **Section 8.**

Employees recalled from home for authorized ordered involuntary overtime work, shall be guaranteed overtime payment in cash for at least four (4) hours, if eligible for cash payment under Section 7 of this Article. When an employee voluntarily responds to a request to come from home for voluntary authorized overtime work, such overtime shall be compensated in time off on an hour-for-hour basis but with minimum compensatory time of four (4) hours.

**Section 9.**

- a. Compensatory time off for voluntary overtime work as authorized in this Article shall be scheduled at the discretion of the agency head but the agency head shall not schedule its use without the consent of the employee within the thirty (30) calendar days following its earning. However, all compensatory time off must be taken by the affected employee within the four (4) months following its earning. Except for the time described in subsection 10b(ii) below, any such compensatory time not so used by the employee's choice shall be added to the employee's sick leave balance. If the agency head calls upon an employee not to take the compensatory time off or any part thereof within the four (4) months, that portion shall be carried over until such time as it can be liquidated. This subsection shall not apply to compensatory time accrued pursuant to FLSA.
- b. For employees covered by the Fair Labor Standards Act, accrued compensatory time usage shall be charged in the following manner and order:
  - i. First, Pre-FLSA Compensatory Time Bank
  - ii. Second, Post-April 14, 1986 FLSA Compensatory Time Bank
  - iii. Third, Post-April 14, 1986 non-FLSA Compensatory Time Bank
- c. If compensatory time off is charged to an employee's Post-April 14, 1986 FLSA Compensatory Time Bank and as a result the employee will not be able to take his/her accrued Post-April 14, 1986 non-FLSA compensatory time within the four (4) month period provided in subsection 10(a) above, the period of time in which the equivalent amount of time in the Post-April 14, 1986 non-FLSA Compensatory Time Bank which must be taken shall be extended in writing by the agency head an additional four months.

**Section 11.**

- a. Employees who volunteer to stand by in their homes, as authorized by competent authority, shall receive compensatory time credit on the basis of one-half (1/2) hour for each hour of standby time.
- b. Employees who are required, ordered and/or scheduled on an involuntary basis to stand by in their homes subject to recall, as authorized by the agency head or the agency head's designated representative shall receive overtime payment in cash for such time on the basis of one-half (1/2) hour paid overtime for each hour of standby time. Employees who reside on the work premises or are in post-graduate training status shall not be included in this provision.

**Section 12.**

Employees who are required to carry communication devices (or "beepers") shall not be restricted in their ability to travel. Notwithstanding the above, they may be required to call in or may make other mutually agreeable accommodations with the agency.

**Section 13.**

The Employer and the Union may agree to apply a variation of the overtime provisions of this Agreement.

**Section 14.**

Except in an emergency situation, when authorized and ordered by an agency head, a Hospital Executive Director or a designated representative, no employee shall be required to actually work more than two (2) consecutive normal work shifts in any twenty-four (24) hour period nor shall said employee be required to work more than two (2) consecutive work shifts for more than two (2) consecutive weeks.

**Section 2.**

- a. Employee requests for annual leave made pursuant to agency policy or collective bargaining agreement, shall be in writing on a form supplied by the agency. Approval or disapproval of the request shall be made on the same form by a supervisor authorized to do so by the agency.

Decisions on requests for annual leave or for leave with pay shall be made within seven (7) working days of submission except for requests which cannot be approved at the local level or requests for leave during the summer peak vacation period or other such periods for which the Employer has established and promulgated a schedule for submission and decision of leave requests. Once a leave request has been approved, the approval may not be rescinded except in writing by the agency head, Executive Director of a Hospital or Chief of Personnel in the Police Department.

If any agency head, Executive Director of a Hospital, or Chief of Personnel in the Police Department calls upon an employee to forego the employee's requested annual leave or any part thereof in any year, it must be in writing and that portion shall be carried over until such time as it can be liquidated.

- b. In order to allow employees to make advanced plans, decisions on requests for annual leave in amounts of at least 5 consecutive workdays or tours falling during an agency's designated summer peak vacation period shall be made not less than thirty (30) days prior to the scheduled commencement of said peak vacation period. Such requests must be made no later than forty-five (45) days or tours prior to the commencement of the summer peak vacation period or by the designated submission date for such requests, whichever is earlier. The summer peak vacation period shall be the period designated by an Agency as such, provided such period does not commence prior to Memorial Day Weekend or extend past September 30th. Nothing contained herein shall preclude employees from making annual leave requests in accordance with the other provisions of this Agreement.
- c. Where an employee has an entitlement to accrued annual leave and/or compensatory time, and the City's fiscal condition requires employees who are terminated, laid off or who choose to retire in lieu of layoff, be removed from the payroll on or before a specific date because of budgetary considerations, the Employer shall provide the monetary value of accumulated and unused annual leave and/or compensatory time allowances standing to the employee's credit in a lump sum. Such payments shall be in accordance with the provisions of Executive Order 30, dated June 24, 1975, and the FLSA.

### **Section 3.**

- a. Approved sick leave and annual leave may be used in units of one (1) hour. Any employee who has completed four (4) months of service may be permitted to take approved annual leave as it accrues.
- b. Except as provided below, employees shall be credited with one day of sick leave per month. Approved sick leave may be used as it accrues. This section shall not alter the provisions of any existing unit agreement which contains a more beneficial procedure.
  - i. For any employees newly hired on or after July 1, 2004, a maximum sick leave accrual of ten (10) days per annum for the first five (5) years of service shall apply. At the beginning of the sixth year of service, the maximum sick leave accrual shall be twelve (12) days per annum.
- c. It shall be the policy of the employer to allow employees to use during their current leave year the amount of annual leave accruable during that year, provided they have sufficient available leave balances. This provision shall be subject to the leave regulations referenced in Section 1 of this Article V and the needs of the agency. Exceptions to this policy shall be on a reasonable and case-by-case basis.

### **Section 4.**

By June 1st of each year all employees shall be given an annual statement of all leave balances as of the preceding April 30th (sick leave, annual leave, compensatory time, holiday leave credits).

**Section 5.**

- a. i. Except as provided in Section 5(a)(ii), sick leave shall be used only for personal illness of the employee. Approval of sick leave in accordance with the Leave Regulations is discretionary with the agency and proof of disability must be provided by the employee, satisfactory to the agency within five (5) working days of the employee's return to work. However, the employer may request proof of disability when an employee has been on sick leave for five or more consecutive working days. Such proof satisfactory to the agency must be submitted within five working days of such request.
- ii. (1) Notwithstanding the provisions of Section 5(a)(i), Employees may use one day per year from their sick leave balances for the care of ill family members.
- (2) Effective July 15, 1996, employees may use two (2) days per year from their sick leave balances for the care of ill family members. Effective July 1, 2004, employees may use three (3) days per year from their sick leave balances for the care of ill family members.
- (3) Approval of such leave is discretionary with the agency and proof of disability must be provided by the employee satisfactory to the agency within five (5) working days of the employee's return to work.
- (4) The provisions of Article V, Section 5(a)(ii) shall apply to part-time per annum, hourly, per diem, per session and seasonal employees who work at least one half the regular hours of full time employees in the same title and who have worked for at least one month on a regular basis and accrue sick leave pursuant to Article V, Section 19(b).
- (5) i. The use of sick leave for care of ill family members shall be limited to a maximum of one-sixth (1/6) of the amount of sick leave hours accruable by an eligible employee during the current leave year or one-sixth (1/6) of the sick leave hours accruable by a full time employee in the same title during a leave year, whichever is less. Approved usage of sick leave for care of ill family members may be charged in units of one (1) hour.
- ii. Effective July 1, 2004, the use of sick leave for care of ill family members shall be limited to a maximum of one-fourth (1/4) of the amount of sick leave hours accruable by an eligible employee during the current leave year or one-fourth (1/4) of the sick leave hours accruable by a full time employee in the same title during a leave year, whichever is less. Approved usage of sick leave for care of ill family members may be charged in units of one (1) hour.
- (6) Family member shall be defined as: spouse; natural, foster or step parent; child, brother or sister; father-in-law; mother-in-law; any relative residing

in the household; and domestic partner, provided such domestic partner is registered pursuant to the terms set forth in the New York City Administrative Code Section 3-240 *et seq.*

b. The provisions of Section 5(a) above notwithstanding, the agency may waive the requirement for proof of disability unless:

- i. An employee requests sick leave for more than three (3) consecutive work days; or
- ii. An employee uses undocumented sick leave more than five (5) times in a "sick leave period." Employees hired during a "sick leave period" shall be subject to the terms of this subsection commencing with the next complete "sick leave period"; or
- iii. An employee uses undocumented sick leave more than four (4) times in a "sick leave period" on a day immediately preceding or following a holiday or a scheduled day off. Employees hired during a "sick leave period" shall be subject to the terms of this subsection commencing with the next complete "sick leave period."

c. For the purposes of Sections 5(b)(ii) and 5(b)(iii) above, the calendar year shall be divided into two (2), six (6) month "sick leave periods." They shall be: (1) January 1 to June 30, inclusive; and (2) July 1 to December 31, inclusive. An employee who exceeds the allowable number of undocumented absences in any "sick leave period" pursuant to Sections 5(b)(ii) and 5(b)(iii) above shall thereafter, commencing with the next "sick leave period," be required to submit medical documentation, satisfactory to the agency head, before further sick leave may be approved. The requirement for such documentation shall continue in effect until the employee has worked a complete "sick leave period" without being on sick leave more than two (2) times.

d. For the purposes of this Section 5 "one time" shall mean the consecutive use of one-half (½) or more workdays for sick leave. Sick leave taken in units of less than one-half (½) workday shall be counted as "one time" on sick leave when the cumulative total of such sick leave amounts to one-half (½) day.

e. The provisions of Section 5(b) above notwithstanding, the agency shall have the discretion to waive the medical documentation required pursuant to Sections 5(b)(ii), 5(b)(iii) and 5(c), for employees who have completed their third year of employment and thereafter have a current sick leave balance commensurate with the number of years of employment as follows:

3 years	21 days	7 years	49 days
4 years	28 days	8 years	56 days
5 years	35 days	9 years	63 days
6 years	42 days	10 years or more	70 days

f. It is not the intent of Sections 5(b) and 5(e) for an agency to regularly require proof of disability under normal circumstances.

g. Any employee who anticipates a series of three (3) or more medical appointments, which will require a repeated use of sick leave in units of one day or less shall submit medical documentation indicating the nature of the condition and the anticipated schedule of

treatment. Sick leave taken pursuant to said schedule of treatment shall be deemed documented.

- h.** The medical documentation required by this Section shall be from a health practitioner licensed by the state in which she/he practices to diagnose and certify illness or disability. When an employee has been recommended for relief from duty by a medical practitioner acting in behalf of the Employer's Health Service, the time granted shall be considered documented sick leave for the day of the relief from duty only, unless otherwise specified by the Employer's practitioner.

**Section 6.**

The number of sick leave allowance days permitted to accumulate shall be unlimited.

**Section 7.**

- a.** An employee's annual leave shall be changed to sick leave during a period of verified hospitalization. When an employee is seriously disabled but not hospitalized while on annual leave, after the employee submits proof of such disability which is satisfactory to the agency head, such leave time may be charged to sick leave and not to annual leave at the employee's option.
- b.** Employees on approved sick leave who have exhausted their sick leave balances shall be placed on annual leave unless otherwise requested in writing for the duration of that absence, subject to continued proof of disability satisfactory to the agency.

**Section 8.**

Employees who are on agency approved work-study paid leave of absence shall not have annual leave credits deducted unless they actually request and take such annual leave, provided that annual leave accruals do not exceed the maximum permitted in this Agreement.

- a.** The regular holidays with pay shall be as follows:

New Year's Day	January 1 <sup>st</sup>
Martin Luther King, Jr. Day	Third Monday in January
Lincoln's Birthday *	February 12 <sup>th</sup>
Washington's Birthday	Third Monday in February
Memorial Day	Last Monday in May
Independence Day	July 4 <sup>th</sup>

Columbus Day	Second Monday in October
Veterans' Day	November 11 <sup>th</sup> (or other date established by NYS Legislature)
Election Day	First Tuesday following the First Monday in November
Thanksgiving Day	Fourth Thursday in November
Christmas Day	December 25 <sup>th</sup>

\* See Section 9(c)

- b.** When a holiday falls on a Saturday, it shall be observed on the preceding Friday. When a holiday falls on a Sunday, it shall be observed on the following Monday. However, when an agency head deems it necessary to keep facilities open on both Monday and Friday, employees may be scheduled to take time off on either the Monday or Friday. When either

the holiday, or the day designated for observance, occurs on an employee's scheduled day off and the employee does not work on such day, the employee shall be entitled to one compensatory day off in lieu of the holiday.

- c. Effective January 1, 1997, an Employee shall be entitled to one floating holiday in each calendar year during which the employee is in active pay status with the Employer prior to Lincoln's Birthday of such calendar year, subject to the following conditions:
- i. Employees newly hired on or after July 1, 2004 shall not be entitled to the floating holiday.
  - ii. The floating holiday shall be taken at the employee's discretion, subject to the needs of the employing agency. Employees must request to use their floating holiday in writing at least 30 days in advance on a form supplied by the agency. Approval or disapproval of the request shall be made on the same form by a supervisor authorized to do so by the agency. Decisions shall be made within ten (10) working days of submission.
  - iii. Employees wishing to use their floating holiday to observe Lincoln's Birthday shall file such requests prior to January 15. Approval shall not be unreasonably denied. For the purposes of this subsection, the day of observance for employees of Mayoral agencies assigned to Board of Education facilities shall be on the day set by the Board.
  - iv. Once a floating holiday request has been approved, the approval may not be rescinded except in writing by the agency head, Executive Director of a Hospital or Chief of Personnel in the Police Department. If an employee is required to work on a floating holiday once the request for it has been approved, the employee shall receive a fifty percent (50%) cash premium for all regularly scheduled hours worked on the floating holiday and shall, in addition, receive compensatory time off at the employee's regular rate of pay.
  - v. The floating holiday must be used in the calendar year in which it is earned and may not be carried over to a succeeding year or cashed out upon separation of service. If the agency head calls upon an employee not to take the floating holiday by the end of the calendar year, the floating holiday shall be carried over to the following calendar year only.
  - vi. For employees assigned to perform work at facilities which are normally closed on Lincoln's Birthday, such as, but not limited to, State Courts or Department of Sanitation garages, Lincoln's Birthday shall continue to be observed as an official holiday and the floating holiday provisions set forth in this subsection c, shall not apply.

**Section 10. Line of Duty Injury Due to Assault**

Upon the determination by the head of an agency that an employee has been physically disabled because of an assault arising out of and in the course of the employee's employment, the agency head will grant the injured employee a leave of absence with pay not to exceed eighteen (18) months. No such leave with pay shall be granted unless the Worker's Compensation Division of the Law Department advises the head of the agency in writing that the employee's injury has been accepted by the Division as compensable under the Worker's Compensation Law, or if such injury is not accepted by the Division as compensable under such law, unless the Worker's Compensation Board determines that such injury is compensable under such law.

If a permanent employee who has five (5) years or more of service does not have sufficient leave credit to cover the employee's absence pending a determination by the Worker's Compensation Division of the Law Department, the agency head shall advance the employee up to forty-five (45) calendar days of paid leave. In the event the Worker's Compensation Division of the Law Department does not accept the injury as compensable under the law or the Worker's Compensation Board determines that such injury is not compensable under such law, the employee shall reimburse the City for the paid leave advance.

If an employee is granted a leave of absence with pay pursuant to this Section, the employee shall receive the difference between the employee's weekly salary and the employee's compensation rate without charge against annual leave or sick leave. The employee shall, as a condition of receiving benefits under this Section, execute an assignment of the proceeds of any judgment or settlement in any third party action arising from such injury, in the amount of the pay received pursuant to this Section and medical disbursements, if any, made by the Employer, but not to exceed the amount of such proceeds. Such assignment shall be in the form prescribed by the Corporation Counsel. The injured employee shall undergo such medical examinations as are requested by the Worker's Compensation Division of the Law Department and the employee's agency, and when found fit for duty by the Worker's Compensation Board shall return to the employee's employment.

No benefits shall be paid while an employee is suspended pending disciplinary action, or if an employee is subsequently found culpable of having commenced the assault or unnecessarily continuing the assault.

Benefits provided under this Section shall be in addition to but not concurrent with benefits provided under Section 7.0 and 7.1 of the Career and Salary Plan Leave Regulations.

**Section 11. Line of Duty Injury Other than Assault**

For employees who do not come under the provisions of Section 10 of this Article but who are injured in the course of employment, upon determination by the head of an agency that an employee has been physically disabled because of an injury arising out of and in the course of the employee's employment, through no fault of the employee, the agency head will grant the injured employee an extended sick leave with pay not to exceed three (3) months after all the employee's sick leave and annual leave balances have been exhausted. This additional leave must be taken immediately following the exhaustion of such balances. No such leave with pay shall be granted unless the Worker's Compensation Division of the Law Department advises the agency head in writing that the employee's injury has been accepted by the Division as compensable under the

Worker's Compensation Law, or if such injury is not accepted by the Division as compensable under such law, unless the Worker's Compensation Board determines that such injury is compensable under such law. If an employee is granted extended sick leave with pay pursuant to this Section, the employee shall receive the difference between the employee's weekly salary and the employee's compensation rate for the period of time granted. The employee shall, as a condition of receiving benefits under this Section, execute an assignment of the proceeds of any judgment or settlement in any third party action arising from such injury, in the amount of the pay and medical disbursements received pursuant to this Section, but not to exceed the amount of such proceeds. Such assignment shall be in the form prescribed by the Corporation Counsel. The injured employee shall undergo such medical examinations as are requested by the Worker's Compensation Division of the Law Department and the employee's agency, and when found fit for duty by the Worker's Compensation Board shall return to the employee's employment.

Benefits provided under this Section shall be in addition to but not concurrent with benefits provided under Sections 7.0 and 7.1 of the Career and Salary Plan Leave Regulations.

**Section 12.**

Within forty-five (45) days of the receipt by the Worker's Compensation Division of the Law Department of a claim for Worker's Compensation, the City shall notify the claimant of the approval or disapproval of the claim.

Failure to notify the employee within the forty-five (45) day time limit may be grieved at Step III of the grievance procedure without resort to previous steps.

**Section 13.**

Pursuant to Executive Order No. 34, dated March 26, 1971, "Regulations Governing Cash Payments for Accrued Annual Leave and Accrued Compensatory Time on Death of an Employee while in the City's Employ," if an employee dies while in the Employer's employ, the employee's beneficiary or if no beneficiary is designated, then the employee's estate, shall receive payment in cash for the following:

- a. All unused accrued annual leave to a maximum of fifty-four (54) days credit.
- b. All unused accrued compensatory time earned subsequent to March 15, 1968 and retained pursuant to this Agreement, verifiable by official agency records, to a maximum of two hundred (200) hours.

**Section 14.**

If an employee dies during the term of this Agreement because of an injury arising out of and in the course of the employee's employment through no fault of the employee, and in the proper performance of the employee's duties, a payment of twenty-five thousand dollars (\$25,000) will be made from funds other than those of the Retirement System in addition to any other payment which may be made as a result of such death. Such payment shall be made to the same beneficiary designated for the purposes of Section 13 of this Article, or if no beneficiary is so designated, payment shall be made to the employee's estate.

### **Section 15.**

If while in covered employment under the terms of this Agreement an employee dies, the Employer shall notify the beneficiary designated by the employee in the personnel folder as to what benefits may be available for the employee and as to where claims may be initiated for such benefits. If no beneficiary is designated, the public administrator of the county in which the employee last resided shall be notified.

The employing agency shall promptly notify the appropriate retirement system and request it communicate with the beneficiary designated in the system's records.

### **Section 16.**

- a. Every employee is obligated to report for work as scheduled.
- b. Except for the employees described in subsection c below, there shall be a grace period of five minutes at the beginning of the work shift. When an employee's lateness extends beyond the five-minute grace period, the full period of time between the scheduled reporting time and the actual reporting time shall be charged against such employee (e.g. an employee whose starting time is 9:00 a.m. who reports to work at 9:05 a.m. would not be "late," but such an employee with such a starting time who reports to work at 9:06 a.m. would be charged with six (6) minutes of lateness).
- c. The following employees shall not be entitled to the five-minute grace period described in subsection b above:
  - i. Emergency personnel, including, but not limited to, Fire Alarm Dispatchers, Police Communication Technicians, Emergency Medical Services Specialists. The City shall furnish the Union with a full list of such positions.
  - ii. Employees whose positions require, in the event of late reporting for work, that another be held over from a previous shift or be called in to substitute for the late employee, at premium rates of pay.
  - iii. Employees subject to flexible work schedules.
- d. Lateness beyond the five-minute grace period shall be classified as "excused" or "not excused" and excused lateness shall not be charged against the employee. Lateness found by the agency head or the individual designated by the agency head to have been caused by unforeseen public transportation delays or other circumstances which arise after an employee leaves for work which cannot be anticipated (e.g. elevator breakdowns or private transportation breakdowns) which are beyond the ability of the tardy employee to control shall be excused. Such findings shall be reasonably made; and the tardy employee may be required to furnish proof satisfactory to the agency head of the cause of the lateness. A request for excusal shall not be unreasonably denied. A refusal to excuse a lateness may be appealed to the Commissioner of Labor Relations whose decision shall be final.
- e. Deduction for unexcused lateness shall be made on a minute for minute basis from any compensatory time standing to an employee's credit and then, if there is no such credited time, from the employee's annual leave balances.

- f. The City reserves the right and power appropriately and for just cause to discipline or to discharge an employee for excessive lateness.
- g. Contractual provisions or agency policies regarding lateness, grace or excusal periods or lateness penalties inconsistent with the uniform lateness policy set forth in this Section shall be superseded by this Section 16.
- h. Latenesses caused by a verified major failure of public transportation, such as a widespread or total power failure of significant duration or other catastrophe of similar severity, shall be excused.
- i. Each agency will prepare contingency plans for operation during a major failure of public transportation which would cause disabled employees, as defined in the Americans with Disabilities Act, great difficulty in reaching their regular work location. Such plans will include, where practicable and productive, provisions assigning disabled employees to report to agency locations closer to their homes. Such plans shall also include provisions for excusal by the agency head of absences on an individual basis for disabled employees. Decisions of the agency head with respect to absences under such plans shall not be subject to the grievance procedure.

#### **Section 17.**

- a. Effective January 1, 1975, the terminal leave provision for all employees except as provided in subsections b. and c., below shall be as follows:

Terminal leave with pay shall be granted prior to final separation to employees who have completed at least ten (10) years of service on the basis of one (1) day of terminal leave for each two (2) days of accumulated sick leave up to a maximum of one hundred-twenty (120) days of terminal leave. Such leave shall be computed on the basis of work days rather than calendar days.
- b. Any employee who as of January 1, 1975 had a minimum of fifteen (15) years of service as of said date may elect to receive upon retirement a terminal leave of one (1) calendar month for every ten (10) years of service pro-rated for a fractional part thereof in lieu of any other terminal leave. However, any sick leave taken by such employees subsequent to July 1, 1974 in excess of an average annual usage of six (6) days per year shall be deducted from the number of days of terminal leave to which the employee would otherwise be entitled at the time of retirement, if the employee chooses to receive terminal leave under this subsection.
- c. In the case where an employee has exhausted all or most of the employee's accrued sick leave due to a major illness, the agency head, in the agency head's discretion, may apply two and one-fifth (2 1/5) workdays for each year of paid service as the basis for computing terminal leave in lieu of any other terminal leave. An employee's request for the application of this subsection shall not be unreasonably denied. The denial of an employee's request may be appealed solely to the Commissioner of Labor Relations.
- d. Where an employee has an entitlement to terminal leave and the City's fiscal situation requires that employees who are terminated, laid off or retired be removed from the payroll on or before a specific date, because of budgetary considerations, the Employer shall

provide a monetary lump sum payment for terminal leave in accordance with the provisions of Executive Order 31, dated June 24, 1975.

- e. For employees newly hired on or after July 1, 2004, terminal leave with pay shall be granted prior to final separation to employees who have completed at least ten (10) years of service on the basis of one (1) day of terminal leave for each three (3) days of accumulated sick leave up to a maximum of one hundred-twenty (120) days of terminal leave. Such leave shall be computed on the basis of workdays rather than calendar days.

**Section 18.**

- a. Shortened workday schedules or heat days in lieu thereof for employees who have traditionally enjoyed shortened workday schedules or heat days in lieu thereof shall begin on July 1 and terminate on Labor Day. Employees who are entitled to receive heat days in lieu of shortened workdays shall receive three (3) such days.
- b. Shortened workday schedules and heat days in lieu thereof shall be abolished for employees who work in air-conditioned facilities and for outdoor and field employees. However, outdoor and field employees who traditionally enjoyed such benefits and who are required to return to an office location before the end of the workday shall be entitled to the same summer schedules enjoyed by office employees at such location on such day.
- c. Outdoor and field employees include, but are not limited to, law enforcement personnel, Traffic Enforcement Agents, Traffic Device Maintainers, Motor Vehicle Operators, Inspectors, Engineers, Assessors, Appraisers, Investigators, Quality Control Specialists and Public Health Nurses. Homemakers and employees in equivalent titles, who are assigned to work in clients' homes which are not air-conditioned and who traditionally enjoyed shortened workday schedules or heat days in lieu thereof, shall continue to be so entitled.
- d. No shortened workday schedules or heat days in lieu thereof, shall be granted to any employee until the employee has completed one year of service.
- e. Employees who work shortened workday schedules as described in this Section are entitled to the meal allowances set forth in Section 8 of Article IV, provided that such employees work a minimum of three (3) hours beyond the shortened workday schedule. An employee who qualifies for a meal allowance pursuant to this subsection shall not count the first hour worked after the shortened workday schedule in computing the amount of the meal allowance to which the employee is entitled.

**Section 19.**

- a. i. Part-time per annum, hourly, per diem, per session and seasonal employees who work at least one half the regular hours of full-time employees in the same title and who have worked for at least one month on a regular basis shall accrue annual leave credits as set forth below: \*

- i. Effective July 1, 2004, all employees newly hired on or after July 1, 2004 shall accrue sick leave at the rate of one (1) hour of sick leave for each 24 hours actually worked for the first five (5) years of service.

- c. If no full-time equivalent title exists then the minimum number of hours required in order to receive leave credits pursuant to this Section shall be based on the nature of employment as follows:

**Section 20.**

- a. A childcare leave of absence without pay shall be granted to any employee (male or female) who becomes the parent of a child up to four years of age (or whose domestic partner registered pursuant to the New York City Administrative Code Section 3-240 et seq.) becomes the parent of a child up to four years of age), either by birth or by adoption, for a period of up to forty-eight (48) months. The use of this maximum allowance will be limited to one instance only. All other childcare leaves of an employee shall be limited to a thirty-six (36) month maximum.
- b. Prior to the commencement of child care leave, an employee shall be continued in pay status for a period of time equal to all of the employee's unused accrued annual leave and compensatory time (including FLSA compensatory time).

\* Refer to prior Citywide Agreement for accrual rate in effect prior to July 1, 1991.

- c. Employees, who initially elect to take less than the forty-eight (48) month maximum period of leave or the thirty-six (36) months, may elect to extend such leave by up to two extensions, each extension to be a minimum of six (6) months. However, in no case may the initial leave period plus the one or two extensions total more than forty-eight (48) months or thirty-six (36) months.
- d. This provision shall not diminish the right of the Agency Head or the Personnel Director, as set forth in Rule 5.1 of the Leave Regulations, to grant a further leave of absence without pay for childcare purposes.

## ARTICLE VI - TIME AND LEAVE VARIATIONS

This Article shall apply only to employees who work other than a regularly scheduled standard work week consisting of five (5) seven (7) hour, seven and one-half (7½) hour or eight (8) hour days.

### Section 1.

A "holiday leave bank" shall be established for each employee covered under this Article. The bank shall be credited with holiday leave time equal to one-fifth (1/5) the number of hours in the respective employee's work week as each holiday occurs.

No employee shall receive credit for more than twelve (12) holidays per annum.

### Section 2.

- a. When an employee does not work on one of the regular holidays, a number of hours equal to the number of hours in the employee's regularly scheduled work day shall be subtracted from the employee's "holiday leave bank."
- b. An employee who works on any of the regular holidays shall be compensated in accordance with Section 3 of this Article or the overtime provisions of this Agreement, whichever is applicable.
- c. When either the holiday or the day designated for observance occurs on an employee's scheduled day off and the employee does not work on such day, the employee shall accrue credits pursuant to Section 1 of this Article, but no credits shall be deducted from the employee's "holiday leave bank."

### Section 3.

- a. If an employee is required to work on any of the holidays listed in Article V, Section 9 of this Agreement, the employee shall receive a fifty percent (50%) cash premium for all hours worked on the holiday, and there shall be no deduction from the employee's "holiday leave bank."
- b. If a holiday falls on a Saturday or Sunday, the fifty percent (50%) cash premium shall apply only to those employees who are required to work on the Saturday or Sunday holiday. Employees required to work on the Monday or Friday designated by the Employer for holiday observance shall not have any time charged against their "holiday leave bank" as a result of the Saturday or Sunday holiday, but shall not receive premium pay.
- c. With respect to an employee who is scheduled to work on both the Saturday or Sunday holiday and the day designated for observance: (1) if the employee is required to work on only one of such days, the employee's "holiday leave bank" shall be charged the equivalent of one day. Such employee shall receive the fifty percent (50%) cash premium when required to work on Saturday or Sunday; or (2) if the employee is required to work on both such days, the employee shall receive the fifty percent (50%) cash premium for all hours worked on the Saturday or Sunday holiday without any charge to the employee's "holiday leave bank."
- d. However, if the employee is required to work on a holiday which falls on the employee's scheduled day off, the employee may choose whether such holiday work is to be

compensated by the fifty percent (50%) cash premium without charge to the employee's leave bank, or, if otherwise eligible, by the overtime provisions of Article IV.

- e. An employee shall not receive for the same hours of work both (1) overtime pay and (2) the fifty percent (50%) cash premium without charge to the employee's "holiday leave bank." However, regardless of whether the holiday falls on a regular working day or on a scheduled day off, if the number of hours worked on such holiday exceeds the employee's normal daily tour of duty, all hours of work in excess of such normal daily tour of duty shall be covered by the overtime provisions of Article IV.
- f. Shifts which begin at 11 P.M. or later on the day before the holiday shall be deemed to have been worked entirely on the holiday, and shifts which begin at 11 P.M. or later on the holiday shall be deemed not to have been worked on the holiday.

**Section 4.**

An employee may be advanced holiday leave credits consistent with the maximums set forth in Section 1 of this Article. Any resulting negative leave balance shall be charged against subsequent holiday accruals. If as of May 1 of any year an employee's "holiday leave bank" has a negative balance, said balance shall be charged against the employee's annual leave.

The costs and fees of such arbitration shall be borne equally by the Union and the Employer.

A transcript of all arbitration hearings shall be taken unless the taking of a transcript is waived by both parties. The cost of one copy of the transcript for each party and for the arbitrator shall be borne equally by the parties.

Both the Employer and the Union will request the arbitrator to make every reasonable effort to issue the decision within thirty (30) days. The arbitrator's

decision, order or award shall be limited to the application and interpretation of this Agreement, and the arbitrator shall not add to, subtract from or modify this Agreement. The arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accordance with Article 75 of the Civil Practice Law and Rules. An arbitrator may provide for and direct such relief as the arbitrator deems necessary and proper, subject to the limitations set forth above and any applicable limitations of law.

**Section 3.**

As a condition to the right of a Union to invoke impartial arbitration set forth in this Article, the employee or employees and the Union shall be required to file with the Director of the Office of Collective Bargaining a written waiver of the right, if any, of the employee or employees and the Union to submit the underlying dispute to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator's award.

**Section 4.**

Any grievance of a general nature affecting a large group of employees and which concerns the claimed misinterpretation, inequitable application, violation or failure to comply with the provisions of this Agreement shall be filed at the option of the Union at STEP III of the grievance procedure, without resort to previous steps.

**Section 5.**

If a decision satisfactory to the Union at any level of the grievance procedure is not implemented within a reasonable time, the Union may re-institute the original grievance at STEP III of the grievance procedure; or if a satisfactory STEP III determination has not been so implemented, the Union may institute a grievance concerning such failure to implement at Step IV of the grievance procedure.

**Section 6.**

If the Employer exceeds any time limit prescribed at any step in the grievance procedure, the grievant and/or the Union may invoke the next step of the procedure, except, however, that only the Union may invoke impartial arbitration under STEP IV.

**Section 7.**

The Employer shall notify the Union in writing of all grievances filed by employees, all grievance hearings, and all determinations. The Union or a public employee organization which has been designated by the Union to represent the grievant or grievants shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hours' notice of all grievance hearings.

**Section 8.**

Each of the steps in the grievance procedure, as well as time limits prescribed at each step of this grievance procedure, may be waived by mutual agreement of the parties.

**Section 9.**

The grievance and arbitration procedure contained in this agreement shall be the exclusive remedy for the resolution of disputes defined as "grievances" herein. This shall not be interpreted to preclude either party from enforcing the arbitrator's award in court. This Section shall not be construed in any manner to limit the statutory rights and obligations of the Employer under Article XIV of the Civil Service Law.

**Section 10. FLSA Dispute Procedure**

- a. Any dispute, controversy or claim concerning or arising out of the application or interpretation of the Fair Labor Standards Act ("FLSA Controversy") shall be submitted by a claimant in accordance with this section.
- b. Any FLSA Controversy must be presented in writing and in the form prescribed by the FLSA Panel no later than sixty days after the date on which such FLSA Controversy arose.
- c.
  - i. Any FLSA Controversy arising out of a claimed wrongful computation of benefits shall be submitted by an employee in writing to the applicable agency head or designee for review and resolution. A copy shall also be submitted to the Office of Labor Relations and to the Union. The agency shall have thirty days to resolve the matter and issue a written decision; such period may be extended by mutual agreement of the parties.
  - ii. If the matter is not satisfactorily resolved at the agency level, the claimant may, within two weeks after receipt of the agency determination, appeal the matter to the FLSA Panel in writing.
- d. The FLSA Panel shall consist of a representative designated by the Municipal Labor Committee and a representative designated by the Commissioner of the Office of Labor Relations of the City of New York. The FLSA Panel shall establish appropriate forms and procedures to promptly review and resolve all FLSA Controversies submitted to it.
- e. Any FLSA Controversy arising out of the classification of a position or group of positions as exempt or non-exempt from the FLSA shall be submitted by an employee in writing to the FLSA Panel.

A copy of any FLSA Controversy concerning a H+H title which is submitted to the FLSA Panel pursuant to this Section 10(e) shall be forwarded immediately by the Panel to the H+H's Office of Vice President for Human Resources. If the Panel deems it necessary to the proper resolution of said FLSA Controversy, it shall consult with H+H prior to issuance of its determination.

The Panel shall take any steps necessary for a proper disposition of any FLSA Controversy and shall issue a written determination within sixty days following the date of submission thereof. The FLSA Panel's time may be extended by mutual agreement of the parties. The decision of the Panel shall be final.

- f. Notwithstanding the provisions of this Section 10, the submission of a dispute by an employee under this procedure shall not constitute a waiver of the employee's rights under the FLSA.

### **Section 11. VDT Operators Dispute Procedure**

For purposes of this Section 11, the term "grievance" shall mean a dispute concerning the application or misinterpretation of Article XVIII. Employees may at any time informally discuss with their supervisors a matter which may become a dispute. If the results of such a discussion are unsatisfactory, the Union may present the grievance at STEP 1.

**STEP 1** The Union shall present the grievance in the form of a memorandum to the person designated for such purpose by the Commissioner of Labor Relations no later than 120 days after the date on which the dispute arose except a dispute concerning employees of the NYC Health + Hospitals shall be filed directly at STEP 1(a) of this dispute procedure. The Commissioner of Labor Relations or the Commissioner's designee shall investigate the grievance and shall issue a determination within thirty (30) workdays of the receipt of the grievance, except, a determination involving a dispute arising pursuant to subsections 5(f) and 5(g) of Article XVIII or an appeal from STEP 1(a) shall be issued within fifteen (15) workdays following the date of its receipt.

**STEP 1(a)** **NYC Health + Hospitals Only:**

The Union shall present the grievance in the form of a memorandum to the person designated for such purpose by the New York City NYC Health + Hospitals Vice President for Human Resources no later than 120 days after the date on which the dispute arose. The Vice President for Human Resources or the Vice President's designee shall investigate the grievance and shall issue a determination within thirty (30) workdays of the receipt of the grievance. An appeal from an unsatisfactory determination at STEP 1(a) shall be presented in writing to the Commissioner of Labor Relations or the Commissioner's designee within ten (10) workdays of the receipt of the STEP 1(a) determination.

**STEP 2** An appeal from an unsatisfactory determination at STEP 1 may be brought by the Union to the Office of Collective Bargaining for impartial arbitration within fifteen (15) workdays of receipt of the STEP 1 determination. In addition, the Employer shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined herein as a "grievance". The Employer shall commence such arbitration by submitting a written request therefor to the Office of Collective Bargaining. A copy of the notice requesting impartial arbitration shall be forwarded to the opposing party. The arbitration shall be conducted in accordance with the Consolidated Rules of the Office of Collective Bargaining. The costs and fees of such arbitration shall be borne equally by the Union and the Employer.

Both the Employer and the Union will request the arbitrator to make every reasonable effort to issue the decision within thirty (30) days. The arbitrator's

decision, order or award (if any) shall be limited to the application and interpretation of the Article XVIII and the arbitrator shall not add to, subtract from or modify said Article. The arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accordance with Article 75 of the Civil Practice Law and Rules. The arbitrator may provide for and direct such relief as the arbitrator deems necessary and proper, subject to the limitations set forth above and any applicable limitations of law.

Each of the steps in the dispute procedure, as well as the time limits prescribed at each step of this dispute procedure, may be waived by mutual agreement of the parties.

## **ARTICLE XVII - JOB SECURITY**

### **Section 1. General Layoff Provisions**

Where layoffs are scheduled affecting full-time employees in competitive class, non-competitive class, and labor classes the following procedures shall be used:

- a. Notice shall be provided by the Office of Labor Relations to the appropriate union(s) not less than thirty (30) days before the effective dates of projected layoffs. Such notification(s) shall apply to all proposed layoffs and shall include a summary by layoff unit of the number of affected positions by title (including title code number and civil service status) and shall also include in addition to the above information the name, employee identification, city start date, and title start date of each affected employee.

It is understood by the parties that such notice is considered to be preliminary and is subject to change during the 30 days notice period. However, if new title(s) which were not part of the original notice are added to the proposed layoff notice or the number of employees in title(s) contained in the original notice is increased beyond the number in the original notice, an additional 30 days notice will be given to the affected union(s) covering solely such additional title(s) or numbers, except, such additional 30 days notice shall not apply to employees displaced by the "bumping" provisions mandated by the Civil Service Law or by appointments from special transfer, preferred, or other civil service lists. The parties may waive such additional notice by mutual consent.

- b. Within such 30-day period designated representatives of the Employer will meet and confer with the designated representatives of the appropriate union with the objective of considering feasible alternatives to all or part of such scheduled layoffs, including but not limited to:
  - i. the transfer of employees to other agencies with retraining, if necessary, consistent with Civil Service law but without regard to the Civil Service title,
  - ii. the use of Federal and State funds whenever possible to retain or re-employ employees scheduled for layoff,

- iii. the elimination or reduction of the amount of work contracted out to independent contractors, and
  - iv. encouragement of early retirement and the expediting of the processing of retirement applications.
- c. After meeting and conferring with the designated representatives of the appropriate union, the Employer shall have the right, when necessary, to transfer any employee, in lieu of layoff, from one agency to another provided such transfer is within title (and the employee meets all the legal requirements of the new position) and is being made without loss in pay, benefits, or seniority to the affected employee. The following procedure shall govern:
- i. Volunteers in order of title seniority.
  - ii. Non-volunteers in order of title seniority among those who would otherwise have to be laid off in the agency from which the transfer is being made.

### **Section 2. Competitive Class Preferred Lists**

- a. When a layoff occurs, the Employer shall provide to the appropriate bargaining representative a list of permanent competitive class employees who are on a preferred list with the original date of appointment utilized for the purpose of such layoff.
- b. A laid off employee who is returned to service in the employee's former title or in a comparable title from a competitive class preferred list, shall receive the basic salary rate that would have been received by the employee had the employee never been laid off, up to a maximum of two (2) years of general salary increases.

### **Section 3. Non-Competitive Class and Labor Class Layoff Procedures**

- a. If budgetary restrictions, consolidations or abolition of functions or other curtailment of activities result in the abolition of non-competitive class or labor class positions, the suspension among the incumbents in the same class of positions shall be made in inverse order of their original appointment to the agency in the subject class of positions.
- b. The date of original appointment shall be the first date of appointment followed by continuous service up to the time of the abolition or reduction of positions.
- c. An employee who had been terminated from the subject class of positions and who was reappointed in the affected class of positions within one year thereafter shall for the purposes of this Section be deemed to have continuous service.
- d. A period of an authorized leave of absence without pay or any period during which an employee is suspended from the employee's position pursuant to this Section shall not constitute an interruption of continuous service for the purposes of this Section.
- e. In the case of non-competitive or labor class employees, the Employer may determine the layoff unit (agency, unit of appropriation, department, bureau, division, or other clearly identifiable subdivision). In such case, layoff shall be made from among incumbents in the same class of positions in each such layoff unit.
- f. If the Employer designates a subdivision smaller than a unit of appropriation, department, bureau, or division as a non-competitive layoff unit or smaller than a unit of appropriation as a labor class layoff unit, the affected union may appeal such designation within 3 days of the receipt of the layoff notice to Commissioner of Citywide Administrative Services who will issue a final and binding determination within 3 days of the receipt of such appeal.

- g. Employees in affected titles in the layoff unit shall be laid off in the following order:

  - i. All employees in probationary status in the same title. Among them, layoff shall be in inverse order of date of original appointment.
  - ii. All employees who have satisfactorily completed their probationary periods in the same title. Among them, layoff shall be in inverse order of date of original appointment.
- h. Employees appointed non-competitively to competitive class titles pursuant to Personnel Rule and Regulation 3.2.10 and Section 55-a of the New York State Civil Service Law will be treated as probationary competitive or permanent competitive employees for purposes of layoffs. For purposes of seniority, the date an employee is appointed pursuant to 55-a will be deemed equivalent to the date a competitive employee is appointed from an eligible list.

#### **Section 4. Non-Competitive Class and Labor Class Recall Procedures**

- a. In the event of layoff the Employer shall place the names of affected non-competitive or labor class employees on a recall list.
- b. For filling non-competitive vacancies in the same class of positions from which the layoffs were made and for which the Commissioner of Citywide Administrative Services determines such laid off employees are qualified, the Employer shall certify such recall list to the agency from which the layoffs were made. For filling labor class vacancies in the same class of positions from which the layoffs were made, the Employer shall certify such recall list on a citywide basis. The parties may waive the terms contained in this paragraph by mutual consent.
- c. Persons on the recall list shall be called for reinstatement in the order of their original date of appointment and upon the occurrence of a vacancy in an appropriate position in the recall unit shall be certified in seniority order. The eligibility for reinstatement of a person on such a recall list shall not continue for a period longer than four years from the date of separation.
- d. No person suspended or demoted prior to completing his/her probationary term shall be certified for reinstatement until the exhaustion of all other eligibles on the recall list and shall be required to complete his/her probationary term upon reinstatement.
- e. Failure or refusal to accept reinstatement from recall lists to vacancies in the same class of positions shall be deemed relinquishment of eligibility and the employee's name shall be removed from the list.
- f. A person reinstated from a recall list to his/her former class of positions shall receive at least the same salary he/she was receiving at the time of suspension.
- g. Notwithstanding any other provisions of this Section, the Employer may, to the extent permissible by law, disqualify for reinstatement and remove from a recall list the name of any eligible who is physically or mentally disabled for the performance of the duties of the position for which such list is established, or who has been guilty of such misconduct as would result in dismissal.

#### **Section 5. Applicability**

These procedures shall not apply in those agencies where layoff procedures already exist unless specifically agreed to by the Union and affected agencies.

**Re: 2001-2021 Citywide Agreement**

Dear Ms. Lovaglio-Miller:

The following is offered by way of clarification as to the meaning and scope of certain provisions of the Citywide Agreement between the City of New York and District Council 37, AFSCME, AFL-CIO covering the period of July 1, 2001 –December 31, 2001.

1. **Article I, Section 1: Are Employees in Rule X titles covered by the Agreement?**  
**ANSWER:** No. However they may be covered by the provisions of the Agreement if they are equated to a title that is covered by the Agreement, or to the extent that they are covered by the provisions of the applicable unit contract.
2. **Article III, Section 1(b): When are employees eligible to receive payment for both night shift differential and straight time (1X) overtime?**  
**ANSWER:** Only employees who were receiving night shift differential during the hour that immediately preceded the straight time (1X) cash overtime are eligible. Employees whose normal tour of duty falls outside the night shift differential hours are not eligible to receive night shift differential when working hours subject to night shift differential.
3. **Article IV, Section 3(b): Is an employee granted a shortened schedule under Article V, Section 18 who works less than the normal work week entitled to overtime compensated in cash?**  
**ANSWER:** Under certain circumstances. If such an employee is ordered to work hours in excess of the employee's shortened weekly schedule but less than the number of hours in the employee's normal work week, such employee would only be entitled to compensatory time at the rate of straight time (1x) [i.e. straight time compensatory time for work performed between 30 and 35 hours a week for 35 hour employees; between 32½ and 37½ hours a week for 37½ hour employees; and between 35 and 40 hours a week for 40 hour employees]. However, if such employee has been in pay status for all scheduled workdays in the calendar week and is ordered to perform work on a scheduled day off (i.e. a sixth day for a five day a week employee), the hours worked on such scheduled day off may be compensable in cash pursuant to Article IV as if the employee had not been granted a shortened schedule.

4. Article IV, Section 3(d): Can the Employer reschedule the normal work week of employees to regularly include Saturdays and/or Sundays as normal workdays without violating this Section?  
ANSWER: Yes.
5. Article IV, Section 11(b): How is the cash payment of standby pay calculated?  
ANSWER: Except as may be otherwise provided by FLSA, the cash payment for standby is always compensated at the rate of one-half (½X) of the hourly rate as determined pursuant to Article IV, Section 6.
6. Article V, Section 3: May an agency head issue a blanket prohibition or limitation on the use of approved sick leave and annual leave in units of one hour?  
ANSWER: No. The agency must consider each request on its merits.
7. Article V, Section 5: Do these sick leave provisions apply to pregnant employees?  
ANSWER: Yes. These provisions are applicable to pregnancy-connected disability under the same terms and conditions as they are applicable to any conditions requiring or permitting the use of sick leave.
8. Article V, Section 16(d): May an Agency apply a fixed time-based standard in determining whether to excuse lateness beyond the five-minute grace period?  
ANSWER: No. Each determination shall be made on a case by case basis.
9. Article V, Section 17: Is the following provision in Section 2.9 of the Leave Regulations superseded by this Section?  
For an agency whose presently existing rules (as of June 30, 1956) permit the use of sick leave credits of an employee in connection with terminal leave with pay upon retirement, the agency is authorized to grant an employee on staff prior to the effective date of these Regulations but who retires subsequent thereto, either terminal leave with pay as specified in Regulation 2.9 or terminal leave with pay calculated under such presently existing agency rules, whichever is the most liberal for the employee; provided that the sick leave balance used in the application of the agency formula does not exceed the sick leave balance to the credit of the employee at the time these Regulations go into effect (July 1, 1956).  
ANSWER: No.
10. Article V, Section 18(b): Are all outdoor and field employees who traditionally enjoyed shortened workday schedules and who are required to return to an office location entitled to summer schedules?  
ANSWER: No. Only those employees who are required to return to an office location before the end of the workday to perform duties for at least one hour are entitled to the summer schedule enjoyed by office employees at that location on such day.
11. Article V, Section 19: Where certain part-time employees were receiving more beneficial leave credits under the terms of a unit contract in existence prior to the effective date of this Section, may they continue to do so?  
ANSWER: Yes. They may continue to receive credits which may vary from the formula established by the terms of this Section. However, upon the expiration of said pre-existing unit contracts, the employees must either elect to be covered by the terms of this Section or they may continue to receive leave credits pursuant to said pre-existing formula.
12. Article X, Section 1: Is the evaluatory statement referred to in this Section limited only to the formal periodic performance evaluation?  
ANSWER: No. It refers to any evaluatory statement.

13. **Article X, Section 1:** Are the requirements on evaluatory statements contained in this Section limited only to those statements to be placed in the permanent personnel folder in the central office?

**ANSWER:** No. They apply to evaluatory statements to be placed in any employee personnel folder maintained in the agency.

14. **Article XIII, Section 4:** Would an employee, who at the time of separation from City service was, and thereafter continued to be covered by the State Health Insurance Program, be eligible to continue receiving the Welfare Fund contribution on his behalf?

**ANSWER:** Yes. Such an employee shall continue to receive the Welfare Fund contribution in the employee's behalf provided said employee has five years NYCERS membership service at the time of the employee's separation and said employee remains a primary beneficiary of the State Program and is entitled to receive benefits paid for by the State through such program.

15. **Article XXI:** Does this Article intend to preclude the Union from engaging in activity to secure the enactment of the New Career Pension Plan legislation during the term of the Agreement?

**ANSWER:** No.

The provisions of this letter shall be deemed part of the 2001-2021 Citywide Agreement as if fully set forth therein. Except as is otherwise provided herein, the contents of this letter shall be effective the date of execution of the 2001-2021 Citywide Agreement and shall be coterminous therewith.

### Re: 2001-2021 Citywide Agreement

Dear Ms. Lovaglio-Miller:

This is to confirm our mutual understanding and agreement that during the negotiations of the 1995-2001 Citywide agreement, the parties agreed to the implementation of the following personnel policies by both covered agencies and the NYC Health + Hospitals:

1. Personnel Services Bulletin No. 440-8 (Guidelines on the Family and Medical Leave Act of 1993) be modified as follows to provide that effective November 26, 1999, leave will be granted to provide care for a domestic partner who has a serious health condition:

An eligible employee is entitled to a total of 12 weeks of leave in a 12-month period. Leave may be taken upon the birth of a child to the employee, to care for such child; or upon the placement of a child with the employee for adoption or foster care, to care for such child ("FLMA Childcare Leave"). Leave may be taken to care for a child of the employee when the child has a serious health condition, as defined hereon; to care for the employee's parent or spouse or domestic partner when such person has a serious condition; and for the employee's own serious health condition.

"Child" means a biological, adopted or foster child of the employee; a legal ward, or stepchild of the employee; or a child for whom the employee stands in loco parentis. A child must either be under 18 or incapable of self-care because of mental or physical disability. "Spouse" means a husband or wife as defined or recognized under state law for purposes of marriage in the state where the employee resides. "Parent" means the biological parent of the employee, or person who stands or stood in loco parentis for the employee when the employee was a child, as defined herein; it does not include "in-laws." "Domestic Partner" means domestic partner as defined in the New York Administrative Code Section 1-112(21).

2. Effective November 26, 1999, employees serving permanently in a competitive, non-competitive, or labor class title in an agency covered by the Citywide Agreement and the Personnel Rules and Regulations of the City of New York ("covered position") who are appointed to another covered position in the competitive, non-competitive, or labor class that requires serving a new probationary period, shall have the right to return to their former agency and title if they do not

## APPENDIX F

satisfactorily complete the new probationary period. Employees serving permanently in a competitive, non-competitive, or labor class title in the NYC Health + Hospitals that is covered by the Citywide Agreement ("H+H covered position") who are appointed to another H+H covered position in the competitive, non-competitive, or labor class that requires serving a new probationary period, shall have the right to return to their former H+H title if they do not satisfactorily complete the new probationary period.

3. Effective November 26, 1999, when competitive class promotional titles are consolidated with lower titles as assignment levels, any permanent competitive class employees who are serving as step-up provisionals in the affected promotional titles shall have up to twenty-four (24) months of prior provisional service credit towards the "salary lock-in" provisions set forth in the Alternative Career and Salary Pay Plan. Notwithstanding such credited service, such employees must serve at least 12 months in the higher assignment level to gain full salary lock-in rights

The provisions of this letter shall be deemed part of the 2001-2021 Citywide Agreement as if fully set forth therein. Except as is otherwise provided herein, the contents of this letter shall be effective the date of execution of the 2001-2021 Citywide Agreement and shall be coterminous therewith.

#### 1. Purpose

New York State Civil Service Law, Article 4, Title B, §65 governs provisional appointments. The purpose of this agreement is to establish a disciplinary procedure for certain provisional employees in the context of the City of New York's five-year plan to reduce provisional appointments as approved, with certain modifications, by the New York State Civil Service Commission on September 22, 2008 and accepted by the Commissioner of Citywide Administrative Services on October 22, 2008.

#### 2. Eligibility Criteria

- a. The employee must have served for at least two (2) years in the same or similar title or related occupational group in the same agency without a break in service (see: below) of more than 31 days; and
- b. The employee must have been serving provisionally in such competitive class position on a full-time per annum or full-time per diem basis and assigned regularly to work the normal, full-time work week established for that title. (see: Attachment A for special provisions applicable to School Based Employees.)
- c. Prior provisional service followed by permanent service may not be aggregated with current provisional service (e.g. prior provisional service as a temporary or seasonal "step-up" followed by permanent service may not be counted towards meeting the service requirement in an employee's current provisional position.)

The following unpaid time in excess of 31 days will not be deemed a break in service or be counted as service:

- (i) for maternity/childcare leave;
- (ii) for military leave;
- (iii) jury duty;
- (iv) for union business pursuant to Executive Order 75;
- (v) while pending workers' compensation determination;
- (vi) while on workers' compensation option 2;
- (vii) due to illness or exhaustion of paid sick leave; and
- (viii) due to family illness.

### 3. Exceptions

- a. No provisional employee shall be deemed to be permanently appointed under any circumstances, nor shall this disciplinary procedure be deemed to preclude removal of any provisional employee as a result of the establishment of, or appointment from, an appropriate eligible list, or in accordance with any other provision of law.
- b. Notwithstanding the provisions in Section 2, Eligibility Criteria, above, this Disciplinary Procedure shall not be available to any employee appointed on a provisional basis to any position for which one or more appropriate eligible lists have been established including but not limited to any list established pursuant to a plan approved in accordance with NYS Civil Service Law Section 65(5)(b).

### 4. Procedure

When a claimed wrongful disciplinary action has been taken against an eligible provisional employee (see: Eligibility Criteria), the following procedure shall govern upon service of written charges of incompetence or misconduct:

**STEP A** Following the service of written charges, a conference with such employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at STEP I of the Grievance Procedure set forth in Article XV of this Agreement.<sup>1</sup> The employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

**STEP B(i)** If the employee is not satisfied with the determination at STEP A above, then the employee may choose to proceed in accordance with the Grievance Procedure set forth in Article XV of this Agreement through STEP III. The Union, with the consent of the employee, shall have the right to proceed to binding arbitration pursuant to STEP IV of such Grievance Procedure. The period of an employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

**STEP B(ii)** An appeal from the determination of STEP A above shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) work days of the receipt of the determination. The agency head or designated representative shall meet with the employee

---

<sup>1</sup> Reference is to 1995-2001 Citywide Agreement.

and the Union for review of the grievance and shall issue a determination to the employee and the Union by the end of the tenth work day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused employee's employment. In the event of such termination or suspension without pay totaling more than thirty (30) days, the Union with the consent of the grievant may elect to skip STEP C of this Section and proceed directly to STEP D.

**STEP C** If the grievant is not satisfied with the determination of the agency head or designated representative the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) work days.

**STEP D** If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in STEP IV of the Grievance Procedure set forth in Article XV of this Agreement.

The arbitrator's decision, order or award (if any) shall be limited to the application and interpretation of the Agreement and the arbitrator shall not add to, subtract from or modify the Agreement. The arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accordance with Article 75 of the Civil Practice Law and Rules. The arbitrator may provide for and direct such relief as the arbitrator deems necessary and proper, subject to the limitations set forth in this Procedure and any applicable limitations of law.

##### **5. Limitations on Arbitrator's Award**

Notwithstanding any inconsistent provision of this Procedure, when an eligible list exists for the title that the employee held provisionally, an Arbitrator shall not be empowered to order reinstatement of an employee.

This limitation shall not preclude a monetary remedy for any portion of the period covered from the implementation of the disciplinary penalty at issue in the grievance to the date of the establishment of an eligible list.

6. Expiration Date

This Disciplinary Procedure shall expire on the earlier of either of the following:

- a. the expiration or termination of a plan approved pursuant to subdivision 5 of section 65 of the Civil Service Law; or
- b. December 31, 2014.

An employee of the Department of Health who is regularly and exclusively assigned to work at a Board of Education facility (hereinafter, "School Based Employee" or "SBE") shall be covered by the provisional disciplinary provisions set forth herein, provided that the following criteria are met:

- a. Such SBE must regularly work the listed full-time work week established for a per annum title set forth in Appendix A of the 1995-2001 Citywide Agreement during the customary school year without a break in service of more than 31 days.
- b. If such SBE is placed in unpaid status at the end of the customary school year, such period in unpaid status during the customary break between school years shall be deemed an authorized leave without pay and not considered a break in service. However, such authorized leave without pay during the break between customary school years shall not be creditable towards meeting the required two years of service required for provisional disciplinary rights.
- c. Such SBE, upon return to paid status from the break between customary school years, must continue to be assigned to regularly work on a full-time basis without a break in service of more than 31 days.
- d. If such SBE is assigned to work during all or part of the break between customary school years, such time in paid status shall count towards meeting the two year service requirement for provisional disciplinary rights provided such service is on a full-time basis. However, no part-time service rendered during such break between customary school years shall be creditable towards meeting the required two years of service required for provisional disciplinary rights.
- e. SBEs meeting the above criteria shall become eligible for the provisional disciplinary rights set forth herein when their aggregated full-time service during consecutive customary school years (inclusive of any *full-time* service rendered during the breaks between such consecutive customary school years) totals the required two years. Under typical circumstances, this would be expected to occur sometime during their third school year of employment.

Re: Pending Provisional Employee Disciplinary Cases

Dear Ms. Seinfeld:

This letter confirms our mutual understanding and agreement concerning certain provisional employees on whose behalf grievances alleging claimed wrongful disciplinary actions by the agency were filed prior to and/or subsequent to the Court of Appeals' decision in *CSEA v. Long Beach* but which cases have been held in abeyance and have not progressed to arbitration.

In addition to the limitation set forth in Section 5. of the "Disciplinary Process for Provisional Employees", in determining a "back pay" award, if any, the arbitrator shall exclude the period of time from the date of the Long Beach decision through January 28, 2008. An arbitrator may award "back pay" for the period subsequent to the affected employee's discipline/termination but prior to the Court of Appeals' decision in *CSEA v. Long Beach* (that is, May 1, 2007.) However, in no case may "back pay" be awarded for any period during which a provisional employee was serving while an eligible list existed for the title the employee held provisionally. Moreover, in awarding backpay, the Arbitrator must consider the efforts of the employee in mitigating his or her damages and must also offset any backpay award by any and all interim earnings, including unemployment compensation. In no event may an employee be awarded backpay in excess of one year's base salary for the position s/he held provisionally.

Re: Provisional Due Process Eligibility

Dear Mr. Paskin:

This letter serves to convey the City of New York's position regarding due process procedures for provisional employees outlined in the agreement dated April 26, 2018, entered into between the City of New York and District Council 37 and supersedes the Agreement dated August 30, 2011, entered into after the Union's withdrawal of the Improper Practice Petition docketed as BCB-2899-10.

The Office of Labor Relations (OLR) shall apply the terms of the attached "Disciplinary Procedure for Provisional Employees" and side letter agreement between the City and DC 37 to other unions covered by the Career and Salary Plan. However, this "Disciplinary Procedure for Provisional Employees" and side letter agreement shall not expand rights previously embodied in Article XVI of the January 1, 1995 through June 30, 2001 Citywide Agreement, as amended, nor shall it confer any rights or benefits that provisional employees did not enjoy under the Citywide Agreement, or under an applicable unit agreement, before the decision in *CSEA v. Long Beach*.

The "Disciplinary Procedure for Provisional Employees" and side letter agreement specifically exclude the New York City Health and Hospitals Corporation ("HHC") even though HHC is a signatory to the Citywide Agreement.<sup>1</sup>

The Parties shall append the "Disciplinary Procedure for Provisional Employees" and attachments B and C to the Citywide Agreement and to the unit agreements provided such unit agreements previously extended such coverage to provisional employees.

If the above terms are acceptable to DC 37, please execute the signature line provided below.
